

# Year 5 Autumn 1

## PSHCE

### Relationships – TEAM

This unit focuses on the positive qualities of a team, learning how to disagree respectfully and communicate effectively. The unit will address collaborative learning and how to compromise.

## RE

### Animal Law Case

In this unit children consider whether there is any difference between animals and humans, as well as to consider how animals should be treated. They will discover what different religions teach about how animals should be treated and have the opportunity to respond to their own thoughts as well as those of others creatively through the arts.

## FRENCH

### My School

*Grammar focus: Personal pronouns, auxiliary verbs  
etre/avoir*

Learning about their school will include describing their classroom and further developing their understanding of the gender of French words. Their conversational French will develop to include stating preferences.

## HISTORY

### Anglo Saxons

During this unit, children will learn about the fall of the western Roman Empire and Anglo-Saxon invasions, settlements and kingdoms. More specifically, the immigration of the Angles, Saxons and Jutes from the European mainland.

## SCIENCE

### Properties and changes of materials

Children will compare and group materials based on their properties. They will explore dissolving, separating materials, uses of everyday materials and reversible and irreversible changes.

## ART

### 3D Drawing

**Artist:** Leonardo da Vinci

**Technique:** 3D drawing

**Skills:** charcoal and pencil shading.

This half term the Year 5 students will learn about three dimensional drawing, that is, how to represent volume and depth graphically. They will learn about the role that light plays in 3D drawing through the observation of Leonardo da Vinci's artwork and their own practice.

## COMPUTING

### E-Safety

Children will learn how to make a safe password and create their own to use online. They will also learn about the impact of putting images of themselves online

### Scratch - Sounds

Scratch is a programming language where children can program interactive media. They will be using a variable to increase programming possibilities; decompose a problem into smaller parts to design an algorithm to use to write a programme and use logical reasoning to detect and debug mistakes in a program. They will trouble shoot mistakes in data, suggest how it could be checked and select, use and combine the appropriate technology to create different effects.

## PE

### Tag Rugby

Children will be able to: link skills, techniques and ideas and apply them accurately and appropriately; show good control in their movements; gain possession by working as a team; pass in different ways.

### Health and Fitness

Children will be able to: explain some important principles when preparing for exercise (specific muscles); explain the effect that exercise has on their body and explain why exercise is important.

## MUSIC

### In Style Guitar

Appreciate Classical Music; identify features of different British composer, different periods and styles of Music.
