

Year 1 Summer 2

PSHCE

Health and Wellbeing
Aiming High

Children will learn about having high aspirations. They will start by discussing positive views of themselves and how having a positive earning attitude can help them tackle and achieve more. They will share aspirations for the future with regard to employment and personal goals.

DT

Sunflowers

Artist: Vincent Van Gogh

Technique: Assemblage

Skills: 3D pattern construction with lolly sticks, collaging flowers and assembling.

The Year 1 students will end this year by recreating Van Gogh's Sunflowers in 3D. They will make a flower pot using lolly sticks and the flowers with card and tissue paper.

FRENCH

My classroom

Grammar focus: personal pronouns: il-masculine, elle - feminine

Children will engage in discussions and conversations about their classroom. They will be able to learn about the various vocabulary related to the classroom.

HISTORY

The Lives of Significant Individuals William Caxton, Tim Berners-Lee and Marie Curie

The aim of this topic is to build on the children's previous exposure to individuals who have had enormous influence on our lives despite in some cases living a long time ago. They will learn about William Caxton who was paramount in bringing the printing press to London and the UK and Tim Berners-Lee, who was instrumental in developing the World Wide Web. They will also learn about Marie Curie who was paramount in the development of x-rays after her discovery of the two new elements radium and polonium.

PE

Rounders

Children will be able to use the movement, catching and throwing skills they have developed with growing skill in a simplified rounders game.

Athletics

Children will be able to copy and repeat actions and skills. They will also be able to move with control and care and thrown in different ways, including underarm. They will learn to catch with both hands and talk about what they have done as well as describe what other people did.

Agility/Evasion Games

Children will be able to participate in team games, developing simple tactics for attacking and defending.

Health and Fitness

Children will be able to describe how their bodies feel before, during and after an activity.

RE

Belonging to Christianity

In this unit the children draw on their understanding of belonging, and then relate this to what Christians from different traditions understand about belonging. They look at what Jesus taught about children, and how the church welcomes children into its family. They think about how people show they belong and what is special about belonging. There are opportunities to visit a church and observe a mock Christening or a dedication

COMPUTING

Creating an eBook

Pupils will create an audio e-Book and are introduced to Microsoft PowerPoint. Pupils will learn how to record and insert sounds onto an electronic publication.

SCIENCE

Plants

Children will identify and name a variety of common wild and garden plants, including deciduous and evergreen trees. They will also describe the basic structure of a variety of common flowering plants, including trees.

Seasonal Changes

Throughout the Year, children will observe changes across the four seasons; describe the associated weather and how day length varies

MUSIC

Reflect, Rewind and Replay
(create, practise and perform after revising)
Children start writing down their musical ideas to be shared with others.
