

COVID-19 Risk Assessment				
Trust:	Boleyn Trust		Academy: Ravenscroft Primary School	
Date of Assessment:	3/1/2022	Assessed By: (detail all involved)		Simon Bond, Alessandro Saracino
Date Authorised:		Authorised By: (detail all involved)		
Date Communicated	3/1/22	How Communicated?		Emails (staff), website
Planned Review Date:	18/2/22	Date Reviewed:		Reviewed By: (detail all involved)
<p>Hazard: Contraction of Coronavirus COVID-19</p> <p>Coronavirus disease 2019 (COVID-19) is an infectious disease caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). Believed to have originated in Wuhan, a city in the Hubei province of China, the first COVID-19 cases were reported in December 2019. It has since spread globally, resulting in an ongoing pandemic.</p> <p>Common symptoms include fever, cough, fatigue, shortness of breath, and loss of smell and taste. While the majority of cases result in mild symptoms, some progress to acute respiratory distress syndrome (ARDS), multi-organ failure, septic shock and blood clots. The time from exposure to onset of symptoms is typically around five days but may range from two to fourteen days.</p> <p>The virus is primarily spread between people during close contact most often via small droplets produced by coughing, sneezing and talking.</p> <p>The droplets usually fall to the ground or onto surfaces rather than travelling through air over long distances. Less commonly, people may become infected by touching a contaminated surface and then touching their face.</p> <p>It is most contagious during the first three days after the onset of symptoms, although spread may be possible before symptoms appear, or from people who do not show symptoms.</p>				
<p>Who might be harmed:</p> <p>Employees, pupils, contractors or visitors and their family members.</p>		<p>How might people be harmed</p> <p>Inhalation of coronavirus in small droplets expelled from the nose or mouth of persons coughing, sneezing, breathing who are shedding the COVID-19 virus; contact with surfaces contaminated with the COVID-19 virus and transfer to the body through touching eyes, nose and mouth.</p> <p>Transmission could result in possible infection, mild, moderate or serious illness and potential death through respiratory failure and / or associated complications.</p>		
<p>Assessed Risk: Risk is a combination of the likelihood of occurrence and severity of injury or illness arising from the hazard. Each of the criteria is assigned a score of 1 to 5 based on the detail below. The two scores are then multiplied and the resultant number plotted on the matrix to determine the assessed risk.</p>				
Hazard	Likelihood	Severity	Assessed Risk	
Without controls	Very Likely (5)	Very High (5)	High (25)	

With controls	Possible (3)	High (4)	Medium (12)
---------------	--------------	----------	-------------

Likelihood of Occurrence		Hazard Severity				
		Negligible 1	Slight 2	Moderate 3	High 4	Very High 5
Very Unlikely (A freak combination of factors required for an incident to result)	1	Low	Low	Low	Low	Low
Unlikely (A rare combination of factors required for an incident to result)	2	Low	Low	Low	Medium	Medium
Possible (Could happen when additional factors are present but otherwise unlikely to occur)	3	Low	Low	Medium	Medium	High
Likely (Not certain to happen but an additional factor may result in an incident)	4	Low	Medium	Medium	High	High
Very Likely (Almost inevitable that an incident would result)	5	Medium	Medium	High	High	High

This risk assessment has been prepared with reference to existing legislation, COVID-19 protocols and sector specific UK Government Guidance 'Working Safely during COVID-19' together with the provision of background and supporting detail obtained through online or telephone discussions.

To fulfil your legal duties, you must ensure that risk controls reflect what you are doing now, and further actions are allocated to named individuals, with a date for implementation and a date when signed off. The risk assessment must be implemented within the business and communicated to your employees and others (visitors or contractors) who may be affected. If you have more than 50 employees, UK Government Guidance Suggests publishing the document on your website. This COVID-19 risk assessment will need to be maintained and periodically reviewed in line with changes in your business activities as well as updates in UK Government Guidance.

---------	--	--	-------------	-------------	---------------

<p>Prevention – Minimise contact with individuals who are unwell by ensuring that those who have COVID-19 symptoms, or who have someone in their household that does, do not attend school.</p>	<ul style="list-style-type: none"> • Pupils, staff and other adults must not come into the school if: <ul style="list-style-type: none"> ○ they have one or more coronavirus (COVID-19) symptoms (https://www.gov.uk/guidance/nhs-test-and-trace-how-it-works#part-1-people-who-develop-symptoms-of-coronavirus) ○ they are legally required to quarantine, (https://www.gov.uk/uk-border-control/self-isolating-when-you-arrive) ○ they have had a positive test ○ have been in close contact with someone who tests positive for coronavirus (COVID-19) or live in the same household. • They must immediately cease to attend and not attend for at least 10 days from the day after: <ul style="list-style-type: none"> ○ the start of their symptoms ○ the test date if they did not have any symptoms but have had a positive LFD or PCR test (if an LFD test is taken first, and a PCR test is then taken within 2 days of the positive lateral flow test, and is negative, it overrides the LFD test and the pupil can return to school) Anyone developing symptoms (a new continuous cough, high temperature, loss or change in sense of taste or smell) during the school day will be sent home and advised to follow government “Stay at Home” guidance (self-isolate for at least 7 days and arrange a test for COVID-19, then follow Public Health England advice). • If anyone in your school develops a new and continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), will: <ul style="list-style-type: none"> ○ send them home to begin isolation - the isolation period includes the day the symptoms started and the next 10 full days advise them to follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection (https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection) ○ advise them to arrange to have a test (https://www.gov.uk/guidance/coronavirus-covid-19-getting-tested) as soon as possible to see if they have coronavirus (COVID-19) • Close contacts in schools are now identified by NHS Test and Trace and education settings are not expected to undertake contact tracing. As with positive cases in any other setting, NHS Test and Trace will work with the positive case and/or their parent to identify close contacts. Contacts from a school setting will only be traced by NHS Test and Trace where the positive case and/or their parent specifically identifies the individual as being a close contact. <p>All individuals who have been identified as a close contact of a suspected or confirmed case of the Omicron variant of COVID-19, irrespective of vaccination status and age, will be contacted directly and required to self-isolate immediately and asked to book a PCR test. They will be informed by the local health protection team or NHS Test and Trace if they fall into this category and provided details about self-isolation.</p> <ul style="list-style-type: none"> • Further actions for educational settings may be advised by a local Incident Management Team (IMT) investigating a suspected or confirmed case of the Omicron variant of COVID-19. 7 • For everyone else, isolation rules are unchanged. Individuals are not required to self-isolate if they live in the same household as someone with COVID-19 who is not a suspected or confirmed case of the Omicron variant, or are a close contact of someone with COVID-19 who is not a suspected or confirmed case of the Omicron variant, and any of the following apply: <ul style="list-style-type: none"> • they are fully vaccinated • they are below the age of 18 years and 6 months • they have taken part in or are currently part of an approved COVID-19 vaccine trial • they are not able to get vaccinated for medical reasons <p>Instead, they will be contacted by NHS Test and Trace, informed they have been in close contact with a positive case and advised to take a PCR test. We would encourage all individuals to take a PCR test if advised to do so.</p>		<p>29/11/21 Ongoing</p>	<p>SLT to train and spread the information, procedure and monitor</p>	
---	--	--	-----------------------------	---	--

Staff who do not need to isolate, and children and young people aged under 18 years 6 months who usually attend school, and have been identified as a close contact of someone with COVID-19 who is not a suspected or confirmed case of the Omicron variant, should continue to attend school as normal.

- It remains essential that anyone who gets a positive result from an LFD result self-isolates immediately, as must other members of their household, while they get a confirmatory PCR test.
- If a member of the household starts to display symptoms while self-isolating they will need to restart the 10-day isolation period and book a test.
- If anyone tests positive whilst not experiencing symptoms, but develops symptoms during the isolation period, they must restart the 10-day isolation period from the day they developed symptoms.
- Anyone developing symptoms and awaiting collection will be moved to a room where they can be isolated behind a closed door if possible, with appropriate adult supervision if required. If this is not possible, they will be moved to an area at least two metres from other people. If possible, a window will be opened for ventilation.
- Anyone awaiting collection and needing to use toilet facilities will use a separate toilet if available. The room containing the toilet will be cleaned and disinfected before being used by anyone else.
- Staff caring for the person awaiting collection, where a distance of 2 metres cannot be maintained, will wear personal protective equipment including mask/respirator to FFP3 standard, visor, gloves and apron or Type 4 coveralls.
- In the event of an emergency or serious illness/injury, emergency services will be contacted using the 999 service. Persons displaying symptoms will be told not to visit a GP, pharmacy, urgent care centre or hospital.
- Following contact with someone who is unwell, all persons who had contact will wash their hands with soap and water for at least 20 seconds or will apply hand sanitiser.
- Staff will be tested in accordance of government guidelines
- All pupils travelling to England must adhere to travel legislation, details of which are set out in government travel advice. All travellers arriving into the UK will need to isolate and get a PCR test by 'day two' after arrival. They may end their isolation once they receive a negative result. If the result is positive, they should continue to isolate and follow rules on isolation following a positive test. Unvaccinated arrivals aged over 18 will follow the existing, more onerous, testing and isolation regime. All Red list arrivals will enter quarantine. Additional guidance has been issued on boarding school students: quarantine and testing arrangements
- After the person displaying symptoms has left the site, the area in which they were present will be cleaned with bleach before being used again.

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
Prevention – Clean hands thoroughly, more often than usual.	<ul style="list-style-type: none"> Pupils must wash/sanitise their hands regularly including when they arrive at school, after break times, when they change rooms and before/after eating. Additional hand washing and/or hand sanitiser stations will be provided to ensure that pupils and staff can wash their hands regularly. Staff will supervise hand sanitiser to reduce the risk of ingestion by pupils. Skin friendly cleaning wipes will be considered as a safer alternative if required. Staff will help small children and pupils with complex needs to clean their hands properly. Hand washing regimes will be built into the school's daily regime. 		29/11/21 Ongoing	SLT to train and spread the information, procedure and monitor	
Prevention – Ensure good respiratory hygiene by promoting the “catch it, kill it, bin it” approach.	<ul style="list-style-type: none"> Staff and pupils will be instructed in the “catch it, kill it, bin it” approach and informed that following this approach is expected. Sufficient tissues and bins will be provided. Additional support/explanation will be provided to younger children and those with complex needs. 		29/11/21 Ongoing	SLT to train and spread the information, procedure and monitor	
Prevention – Introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach.	<ul style="list-style-type: none"> An enhanced cleaning schedule is in place. Rooms that are used by different groups will be cleaned between groups. Dining Hall surfaces will be cleaned between groups. Shared areas will be cleaned more frequently. Frequently touched surfaces will be cleaned more often than usual. Toilets will be cleaned regularly. Pupils will be encouraged to wash their hands after using the toilet. 		29/11/21 Ongoing	SLT will organise with Juniper cleaning regime.	
Spread of Covid-19 during pupil drop/pick up Further guidance	<ul style="list-style-type: none"> Paths and walkways have been marked to encourage social distancing. Only one parent may accompany their child into school (siblings, if in attendance, must be kept close to their parent). Parents must not congregate outside of the school gates, or anywhere on the school premises. Staff will supervise entrances and exits, as well as supporting parents in following the correct routes. Pupils wearing face masks and/or other PPE must remove them and leave them with parents. Pupils will enter the school site at the main entrance, Nursery Gate and Year 4/5 building gate, they will enter the building through their external classroom doors. All pupils will wash/sanitise their hands on entry to their classroom 		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 during pupil drop/pick up Late arrivals	<p>If pupils arrive in the school late, the parent should:</p> <ul style="list-style-type: none"> Ring the main entrance gate Wait at the gate for a member of staff who will collect the pupil <p>Staff should:</p> <ul style="list-style-type: none"> Staff will provide hand sanitiser to the pupil and supervise their hand washing; Escort the pupil to his/her classroom following social distancing 		29/11/21 Ongoing	Teachers and SLT to monitor	

Spread of Covid-19 during pupil drop/pick up Late pick up	<ul style="list-style-type: none"> Pupils must wait in the KS2 Hall with a member of SLT. Parents must wait at the main entrance. <p>A member of staff will allow pupils to leave, opening the gate. Pupils will clean their hands before leaving.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
--	--	--	---------------------	-----------------------------	--

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
Spread of Covid-19 on staircases	Only the Year 5 pupils and staff will need to use the staircase.		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 in classrooms	<ul style="list-style-type: none"> Clear signage regarding personal welfare for pupils in class is visible for pupils to follow. Hand washing procedures are followed on entering or leaving the classroom – all classrooms have either hand washing facilities or supplies of hand sanitiser for this purpose. Classroom external doors are used when going to the playground and outdoor learning environments. Pupils are encouraged not to share resources. <p>The same staff, as far as possible, are assigned to each class/year group.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 in corridors	<ul style="list-style-type: none"> Pupils will enter and exit their classrooms through the external classroom doors. There will be reduced, or even no need for pupils to use any corridors in the school. 		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 in outdoor areas and playgrounds	<ul style="list-style-type: none"> Nursery pupils will use their outdoor space. Year groups will have their own playground equipment. Regular cleaning between groups <p>The PE coach will have use of the KS2 MUGA</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 when pupils eat lunch	<p>Pupils should wash/sanitise their hands before and after eating.</p> <p>Midday Supervisors will be allocated to Year Groups to supervise eating and outside play.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 when staff arrive on the premises	<p>On arrival staff should:</p> <ul style="list-style-type: none"> Remove any PPE used during their journey and dispose or put away (after washing it if possible). Sign in using the InVentry system (which will be cleaned regularly) Wash/sanitise their hands in Main Reception. Avoid any congregation in the staffroom, corridors 		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 – use of the staffroom	<ul style="list-style-type: none"> The staffroom will be open for staff to use. Staff should bring their own travel cup and be responsible for washing and storing it. The school will endeavour to provide disposable sachets of tea, coffee, sugar and milk. Staff should not use communal supplies. Staff should bring in their own cutlery and crockery to use. <p>Staff may have lunches provided by the school.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	

Spread of Covid-19 – staff toilets	<ul style="list-style-type: none"> Staff must clean their hands before and after entering the toilets. Pupils and staff will be told to thoroughly wash hands for at least 20 seconds after using the toilet. Disabled toilets can be used by following the above rules. Cleaning staff will regularly clean the toilets during the day. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Spread of Covid-19 – SEN pupils	They will attend their own class and undertake local educational visits.		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
Spread of Covid-19 – qualified first aiders	<p>Qualified first aiders and paediatric first aiders will be present at all times at an appropriate ratio for the pupils and staff onsite. Personal protective equipment (PPE) including apron, gloves, visor/goggles (if there is a risk of fluids entering the eye from, for example, coughing, spitting or vomit) and masks are available for staff to use whilst treating staff and pupils. PPE can be found at first aid stations around the school building – and stocks of extra equipment are currently stored in the Main Office and the Inclusion Room.</p> <p>First aiders have completed appropriate training for ‘donning and doffing’ PPE – NHS video / advice https://www.hse.gov.uk/news/face-mask-ppe-rpe-coronavirus.htm The Health and Safety Executive published guidance on first aid during coronavirus (COVID-19) https://www.hse.gov.uk/coronavirus/first-aid-and-medicals/first-aid-certificate-coronavirus.htm</p>		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Spread of Covid-19 – if a pupil exhibits symptoms	Pupils who begin to develop symptoms of the virus during the school day will be isolated in the Meeting Room until either, additional medical assistance can be gained (should this be required), or until the pupils’ parent can attend school to take the child home. First aiders required to assist this person will wear full PPE including, apron, gloves, mask and visor/goggles. The other pupils and staff in the group must self-isolate from this point. Parents will be encouraged to book a corona virus test through the government’s website – and should self-isolate until the result is known.		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Spread of Covid-19 – if a member of staff exhibits symptoms	Members of staff who begin to develop symptoms of the virus during the school day will be asked to go home. They will be encouraged to book a corona virus test through the government’s website – or they should self-isolate. First aiders required to assist this person will wear full PPE including, apron, gloves, mask and visor/goggles.		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Spread of Covid-19 – additional cleaning throughout the day	As has been the case before, a cleaner will be on-site throughout the school day. Particular areas of the school will be timetable for additional cleaning – for example, the Nursery classrooms between the morning and afternoon sessions. Particular focus will be placed on cleaning door handles and push plates.		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	

Spread of Covid-19 – waste control measures	<p>Waste control measure from possible cases of Covid-19 and cleaning of areas where possible cases have been identified (including disposable cloths and tissues) are as follows:</p> <ul style="list-style-type: none"> Put in a plastic rubbish bag and tied when full; The plastic bag is placed in a second bin bag and tied; It is put in a suitable and secure place and marked for storage until the individual's test results are known; Waste is stored safely and kept away from children; Waste is not put in communal waste areas until negative test results are known or the waste has been stored for at least 72 hours; If the individual tests negative, this can be put in with the normal waste; If the individual tests positive, then waste is stored for at least 72 hours and then put in with the normal waste; If storage for at least 72 hours is not appropriate, a collection as a Category B infectious waste is arranged by either local waste collection authority if they currently collect your waste or otherwise by a specialist clinical waste contractor. They will supply you with orange clinical waste bags for waste bags can be sent for appropriate treatment. <p>PPE is disposed of in accordance with NHS COVID-19 waste management guidance; https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19decontamination-in-non-healthcare-settings</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 – visitors, to the school	<p>Parents will be encouraged to communicate with the school primarily by telephone or email. Any <i>essential</i> items that need to be dropped off for pupils during the school day must be left at the Main Reception. Floor markings are in place to encourage social distancing in the Main Reception – the glass partition will be drawn between staff and visitors.</p> <p>Teachers should avoid face to face meetings with visitors; these should be conducted, where possible over the phone or through video conferencing. Where this is not possible, meetings must be authorised by the Head Teacher and be undertaken in an appropriate environment in order to maintain social distancing.</p> <p>Maintaining pairing where two-person lifting is required. No cash payments are allowed.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
Spread of Covid-19 – contractors and contractors' deliveries	<p>Contractors working on the school premises – e.g. <i>Caterlink, Juniper</i> etc. must follow the school's social distancing measures and have their own risk assessments in place to cover their work.</p> <p>The Head Teacher will authorise emergency repairs with the Estate Manager. Social distancing must be followed by contractors at all times. Contractors may wear face covering and/or PPE whilst working.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	

Spread of Covid-19 – information and induction	<p>The school will provide parents with information to assist them in returning safely to school via text messages and documents attached to the school website homepage. Senior staff will be present at the beginning and end of the school day to support parents.</p> <p>Staff will receive guidance and risk assessments in document form; they will also be encouraged to attend socially distanced meetings in advance of pupils returning to school in order to discuss measures and procedures and become familiar with the changes to the school environment.</p> <p>Extra training/induction will be arranged for vulnerable staff and parents in regard of procedures if required (e.g. those who do not have a good command of English or have sight/hearing difficulties).</p> <p>Hand washing guidance and posters will be provided across the school (staffroom, entrance, classrooms, hall, first aid room, offices). Hand washing guidance will be sent to all staff and parents. Risk assessment and guidance will be published on the school website.</p> <p>Signage and markings will be visible in and around the school.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 – mental health and wellbeing	<p>Staff will be provided with up to date information, guidance and support in relation to maintaining the well-being of themselves and the pupils.</p> <p>https://www.gov.uk/government/publications/covid-19-guidance-on-supporting-children-and-young-peoples-mental-health-and-wellbeing/guidance-for-parents-and-carers-on-supporting-children-and-young-peoples-mental-health-and-wellbeingduring-the-coronavirus-covid-19-outbreak</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 – Site Supervisor checklist	The Site Supervisor will continue to undertake all site checks in order to comply fully with health and safety procedures.		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid-19 during cleaning duties - staff and contractors	<p>Cleaning staff and contractor should:</p> <ul style="list-style-type: none"> Follow their own company's guidance follow the COSHH risk assessments; avoid contact with other staff, pupils and contractors during duties; dispose of PPE following safe disposal measure. 		29/11/21 Ongoing	Teachers and SLT to monitor	
Spread of Covid during Site Supervisor duties	Site Supervisors should supervise contractors all times using PPE. A daily checklist is provided.		29/11/21 Ongoing	Teachers and SLT to monitor	
Teaching Staff Shortage	<p>Use of NISTR A register to employ substitute teachers.</p> <p>Where pupil/teacher ratios exceed DfE recommendations – partial closure for certain classes or part time /AM/PM classes may be introduced.</p> <p>Text alert service used to notify parents of any exceptional closures due to insufficient staff cover.</p> <p>Notify the DfE in the event of an exceptional closures.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
Facilities/Administrative Staff Shortage	<p>Organise cover arrangements.</p> <p>Classroom Assistants may provide temporary cover for reception/administration.</p> <p>Encourage parents to only contact school in the event of an emergency.</p> <p>Reassign support staff to core health & safety functions within the school.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
School kitchen closure resulting in no school meals provision	<p>The ability for school meals provider to deliver meals from another kitchen to be investigated.</p> <p>Head Teacher to liaise with school Caterer and Estate manager.</p> <p>Text alert sent to parents to provide packed lunch.</p> <p>In the case of pupils in receipt of free school meals, school makes alternative arrangements to out-source meals provision.</p>		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Staff and pupils exposed to Covid-19 during Educational Visits.	<ul style="list-style-type: none"> Overseas educational visits are allowed following travel list restrictions Overnight educational visits are allowed, risk assessment will be done before the visit Non-overnight domestic educational visit, school should undertake full and thorough risk assessment in relation to all educational visits to ensure they are planned and carried out safely and in line with relevant national and local restriction tier guidance protective measures, such as keeping children within their consistent group and any coronavirus secure measures on transport and at the destination 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Fire and evacuation procedures being inadequate at this time due to lack of trained fire wardens or occupants being spread around the building without suitable procedures in place.	<p>Evacuation plans including the following have been reviewed:</p> <p>Safe assembly of occupants following social distancing requirements;</p> <p>Safe exit via the nearest final exit;</p> <p>Training occupants of any changes to evacuation;</p> <p>Ensuring there are enough trained fire wardens on site with the ability to sweep all used areas of the school;</p> <p>Fire testing has been carried out regularly during the lockdown period. Site supervisor will continue to do weekly testing. A list of Fire Marshalls must be shared with staff.</p> <p>A fire drill must be carried out as soon as possible.</p> <p>New PEP (Personal Evacuation Plan) must be carried out for any pupils and staff in need support.</p>		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Legionella	<p>Sample test were carried out by an external contractor.</p> <p>Site supervisor to check water temperature and weekly flushing.</p>		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Prevention – Where necessary, wear appropriate personal protective equipment.	<ul style="list-style-type: none"> Staff are required to wear face coverings in corridors and communal areas. visitors and contractors must wear own face coverings. Personal protective equipment should be provided for staff to use when attending to someone with COVID-19 symptoms and where two metres distance cannot be maintained. Personal protective equipment should be provided in accordance with intimate care needs. Personal protective equipment type/needs should be assessed and provided. Instruction and training in the fitting, use and removal of personal protective equipment should be provided. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Response – Manage confirmed cases of COVID-19 amongst the school community	<ul style="list-style-type: none"> On receiving a positive test result for COVID-19, the person that is self-isolating will be told to inform the school immediately, self-isolate for at least 10 days and follow Public Health England advice from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or anosmia can last for several weeks once the infection has gone. The 10-day period starts from the day when they first became ill. If they still have a high temperature, they should continue to self-isolate until their temperature returns to normal. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	

Response – Contain any outbreak by following local health protection team advice	<ul style="list-style-type: none"> Guidance from Public Health England will be sought immediately will there be two or more confirmed cases of COVID-19 in the school community within a 10-day period, or where there is an increased rate of absence and COVID-19 is a suspected cause. Self-isolation and partial/full closure advice given by Public Health England will be followed. 		29/11/21 Ongoing	Teachers and SLT to monitor	
--	---	--	---------------------	-----------------------------	--

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
Transport - Use of public transport	<ul style="list-style-type: none"> The school will work with public transport providers to reduce crowding on public transport (e.g. by considering the provision of dedicated transport, staggering start times, reducing rush hour travel and facilitating the use of personal transport). Staff and pupils using public transport will be advised to follow the operator’s guidance and rules. Staff and pupils will be encouraged to walk or cycle to school. <p>“Walking buses” will be considered to encourage pupils to walk to school.</p>		29/11/21 Ongoing	Teachers and SLT to monitor	
Attendance – Pupils who are shielding or selfisolating	<ul style="list-style-type: none"> Pupils that are shielding or self-isolating as a result of Public Health England advice will be identified and arrangements will be made to support them with home study where appropriate. Following the return to school, persons that are advised/required to shield by Public Health England or in line with NHS Test & Trace will be supported with home-working/home-schooling as appropriate. Where pupils are under the supervision of a health professional, their return to school will be discussed with the health professional and an individual risk assessment will be carried out before they return to school. 		29/11/21 Ongoing	Teachers and SLT to monitor	
Attendance – Pupils and families who are anxious about the return to school	<ul style="list-style-type: none"> Clear and consistent expectations around school attendance will be communicated to families (and relevant health professionals) ahead of the return to school. Pupils who appear reluctant or anxious about returning to school, or who appear disengaged, will be identified and plans will be developed to re-engage with them. Additional resources will be put in place for those families who may need additional support to secure regular attendance. Where a pupil has support from a Social Worker, they will be notified in the event of non-attendance. Staff will monitor pupils’ wellbeing following their return and raise any concerns. Government guidance on the extra mental health support for pupils and teachers will be consulted and followed. 		29/11/21 Ongoing	Teachers and SLT to monitor	
Pupils- Clinically vulnerable or Clinically extremely vulnerable	<ul style="list-style-type: none"> Shielding advice has been paused nationally from 31 March. All CEV pupils should attend their school unless they are one of the very small number of pupils under paediatric or other specialist care and have been advised by their GP or clinician not to attend. Pupils who live with someone who is CEV should continue to attend school as normal. Individual risk assessment will be put in place CV pupils can attend school. 		29/11/21 Ongoing	Teachers and SLT to monitor	
School Workforce – Staff who are Clinically Vulnerable or Clinically Extremely Vulnerable	<ul style="list-style-type: none"> Shielding advice has been paused nationally from 31 March. CV and CEV staff can continue to attend school. While in school they must follow the system of controls to minimise the risks of transmission. Staff who live with those who are CV or CEV can attend the workplace but should ensure they maintain good prevention practice in the workplace and at home Staff who live with someone who is clinically extremely vulnerable, clinically vulnerable can attend work. Schools will assess individual cases and introduce further measures where needed. 		29/11/21 Ongoing	Teachers and SLT to monitor	

School Workforce – Staff who may be at increased risk from COVID-19	<ul style="list-style-type: none"> Where staff raise concerns that they may be more at risk due to their personal characteristics, their concerns will be discussed and the measures that are being put in place to reduce the risk will be explained. Where additional measures are requested, these will be accommodated where appropriate/possible following the individual risk assessment. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
School Workforce – Supporting staff	<ul style="list-style-type: none"> All measures that are being put in place will be explained to staff. Trust leaders will consider whether it is possible for specific staff undertaking certain roles to work from home without disrupting to face-to-face education Staff will be involved in the development and implementation of control measures. Government guidance on the extra mental health support for pupils and teachers will be consulted and followed. Supervisors will monitor their staff and raise any concerns. Staff will be encouraged to raise any concerns with their supervisor. Staff will be advised to contact the confidential wellbeing hot line if they have any concerns, and to report these to a supervisor where appropriate. Staff will be given contact details for the Education Support Partnership. Supervisors will maintain regular contact with any staff that are working from home. 		10/12/21 <i>Ongoing</i>	Teachers and SLT to monitor	

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
School Workforce – Staff deployment	<ul style="list-style-type: none"> Supervisors will discuss and agree any changes to staff roles with those individuals. Care will be taken to avoid unnecessary or unmanageable increases in workload. Where there are concerns about staffing capacity, this will be discussed with the trust. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
School Workforce – Deploying support staff and accommodating visiting specialists.	<ul style="list-style-type: none"> Where staff (e.g. teaching assistants) are redeployed to lead groups or cover lessons, this will be under the supervision of a qualified or nominated teacher and not at the expenses of supporting pupils with special educational needs or disabilities. It will be ensured that any redeployed support staff have the skills, expertise and experience to carry out the work. Required staffing ratios will be maintained. Guidance on the best use of teaching assistants published by the Education Endowment Foundation will be referred to and followed where appropriate. It will be ensured that any redeployed staff have the appropriate checks in place to allow them to engage in regulated activity. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
School Workforce – Recruitment	<ul style="list-style-type: none"> Potential new staff could be interviewed using remote technology. Department for Education advice for recruiters and for interviewees will be obtained and distributed to those concerned. Legal requirements regarding pre-appointment checks will continue to be adhered to 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
School Workforce – Supply teachers and other temporary or peripatetic teachers.	<ul style="list-style-type: none"> Supply teachers will be engaged from a trusted source such as the Department for Education and Crown Commercial Service's agency supply deal. Supply and support/peripatetic teachers will be told that they are to follow all school rules, in particular with regards distancing and hygiene. The use of longer-term contracts will be considered to reduce the number of different supply teachers attending site. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	

School Workforce – Expectation and deployment of Initial Teacher Training trainees.	Deployment of ITT trainees will take account of their skills and capacity to ensure that this meets the needs of the school and the trainee.		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
School Workforce – Staff taking leave	<ul style="list-style-type: none"> School leaders will discuss leave arrangements with staff to ensure that travel arrangements, and any subsequent quarantine period, do not impact on staffing arrangements. Where a member of staff is required to quarantine during term time, home-working will be enabled where possible. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
School Workforce – Other support (volunteers)	<ul style="list-style-type: none"> Checking and risk assessment processes will be continued in accordance with the government publication Keeping Children Safe in Education. Volunteers who have not been checked will not be left unsupervised or allowed to work in regulated activity. Mixing of volunteers across groups/bubbles will be kept to a minimum. Volunteers will remain at least two metres from staff and pupils where possible. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Safeguarding	<ul style="list-style-type: none"> The Child Protection Policy will be reviewed to reflect the return of more pupils. Statutory safeguarding guidance will be referred to (Keeping Children Safe in Education and Coronavirus (COVID19): Safeguarding in Schools, Colleges and Other Providers). Additional time will be provided to designated safeguarding leads and their deputies to enable them to provide support and address any concerns. Communication with School Nurses will be continued where appropriate. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Catering	Catering operations/school kitchen will operate in compliance with government Guidance For Food Businesses On Coronavirus (COVID-19). Vouchers will be given to pupils not attending school during Tier 4 restrictions in London. Critical and vulnerable pupils will have lunch in the school.		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
Estates	Any adaptations identified as necessary (e.g. additional wash basins) will be put in place before the return to school.		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Curriculum – Expectations	<ul style="list-style-type: none"> The full, normal curriculum will be taught wherever possible. Where this is not possible, any gaps will be identified and addressed. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Curriculum – Music	<ul style="list-style-type: none"> Measures will be put in place to reduce the risk of transmission of COVID-19 whilst singing or whilst using musical instruments. Sharing of musical instruments will be avoided. Good ventilation will be provided. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Curriculum – Physical activity in schools	<ul style="list-style-type: none"> Pupils will be kept in consistent groups. Sports equipment will be thoroughly cleaned Sport will be carried out outdoors rather than indoors wherever possible. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	

Pupil Wellbeing & Support.	<ul style="list-style-type: none"> Provision of pastoral and extra-curricular activities will be designed to support the rebuilding of friendships and social engagement; address and equip pupils to respond to issues linked to COVID-19; and support pupils with approaches to improving their physical and mental wellbeing. Additional pastoral support will be provided where issues are identified that pupils may need help with. The use of School Nursing Services will be considered to support the health and wellbeing of pupils. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Behaviour Expectations	<ul style="list-style-type: none"> Behaviour policies will be reviewed and updated with any new rules. The consequences of poor behaviour and deliberately breaking the rules, and how those consequences will be enforced, will be communicated. It will be ensured that behavioural expectations are clearly understood. Permanent exclusion will only be considered as a last resort. Where a child with a Social Worker is at risk of exclusion, the Social Worker will be informed and involved in relevant conversations. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	
Government guidance is not followed and/or staff/pupils display a lack of awareness of the risks or inadequate communication, increasing the possibility of transmission of COVID-19.	<ul style="list-style-type: none"> A designated responsible person will subscribe to Government/DfE news releases and ensure that they are passed to school leaders to act upon. Daily Government statements will be monitored by a designated responsible person and details will be provided to school leaders to act upon. Staff will be advised of any relevant information prior to returning to the school. Staff will be informed of any relevant new information as soon as possible. Pupils, parents, carers, etc. will be informed of any relevant information prior to pupils returning to school. Pupils, parents, carers, etc. will be informed of any relevant new information as soon as possible. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	

Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
Infection with COVID-19 whilst working at/attending the school due to expected procedures not being followed.	<ul style="list-style-type: none"> Staff and pupils will be informed of all rules and procedures to follow in order to protect their health and the health of others in accordance with up to date recommended government guidance. Staff to teach correct hand-washing procedures to pupils and to build hand-washing time into the daily routine (e.g. on arrival, before and after breaks and before leaving school). Staff to reinforce the messages to pupils for thorough and regular cleaning of hands, the avoidance of touching the face with hands and the "Catch it, bin it, kill it" procedure. Signage to this effect to be provided. This risk assessment will be provided to staff, who will sign to acknowledge they have read and understood it. This risk assessment will be published on the school website and parents/carers will be advised how they can access it. Alcohol based hand sanitiser gel points will be provided throughout the school including at all points of entry and exit, and at the entry point to all rooms. All persons will be instructed to use alcohol-based hand sanitiser before entering a room. Signage to this effect will be provided. Tissues will be provided for personal use in all rooms. Staff and pupils will be told to report any suspected breaches of the required practices and procedures to a member of the senior leadership team. Appropriate disciplinary action will be taken against persons who do not follow the required practices and procedures. 		29/11/21 <i>Ongoing</i>	Teachers and SLT to monitor	

The school and/or machinery and equipment are not safe for use due to lack of maintenance and/or competent operators.	<ul style="list-style-type: none"> Daily, weekly, termly and scheduled maintenance will be continued in accordance with existing arrangements and schedules. The continuation of maintenance and testing will be ensured for key items and systems including: <ul style="list-style-type: none"> Maintenance and testing of water systems, including scheduled tests/checks in accordance with the legionella management plan. Gas and heating systems including supplies to kitchens, laboratories and classrooms. Fire safety systems including testing and maintenance of the fire alarm, emergency lighting, fire suppression system, sprinkler installation, fire hydrants and fire extinguishers. Kitchen/catering equipment. Security systems including the intruder alarm, access control system and CCTV. Ventilation systems for general use (e.g. air conditioning) and for special use (e.g. fume extraction systems). Maintenance and inspection regimes, including statutory testing required under LOLER, PSSR or CoSHH Regulations, will be continued. It will be ensured that trained and competent staff are in place to operate machinery and equipment and to carry out any required in-house testing. 		29/11/21	Site Supervisor and head teacher to supervise	
Transmission of COVID19 by ventilation systems	<ul style="list-style-type: none"> Ventilation systems will be set to "Full Fresh Air". Windows will be opened and used to create natural ventilation where safe to do so (i.e. where doing so does not compromise security). 		27/08/21 Ongoing	Site Supervisor and head teacher to supervise	
Spread of COVID-19 in toilets	<ul style="list-style-type: none"> Hand sanitiser gel will be used before accessing toilet facilities. Paper hand towels, with bins for disposal of used towels, will be provided to replace hand dryers 		27/08/21 Ongoing	Teachers and SLT to monitor	
Spread of COVID-19 on circulation routes	<ul style="list-style-type: none"> Use of the corridors by large groups of people will be avoided where possible (e.g. by following an external route). Doors will be propped open where it does not impact on fire protection. If fire doors need to be propped open, automatic self-closing devices linked to the fire alarm will be considered. Corridors will be thoroughly cleaned at the end of each day with particular focus on high use points such as doors, hand rails and elevators. Additional cleaning will be arranged and carried out at appropriate intervals during the day (e.g. after break times). 		27/08/21 Ongoing	Teachers and SLT to monitor	
Context	Risk Controls What are you doing now?	Further Actions What more can you do?	Due by date	Assigned to	Date Complete
Spread of COVID-19 in offices	<ul style="list-style-type: none"> Alcohol based hand sanitiser gel will be used by staff before entering the office and upon leaving to attend another area. The office will be thoroughly cleaned at the end of the working day. 		27/08/21 Ongoing	Teachers and SLT to monitor	

<p>Spread of COVID-19 whilst carrying out meetings with parents, carers, etc. at the school.</p>	<ul style="list-style-type: none"> • Face to face meetings will be avoided wherever possible, with discussions instead taking place using the telephone or video conferencing. • Persons attending/visiting the premises will be told not to attend if they or anyone they live with have symptoms of COVID-19. • Alcohol based hand sanitiser gel will be used before entering the school. This will be provided at all points of entry. • Handshakes will be avoided when greeting visitors. • Meeting attendees will remain at least 2 metres apart from each other. • Shared use of items (e.g. paperwork) will be avoided where possible. • Alcohol based hand sanitiser gel will be provided for use before/after items are passed between persons. • The room will be thoroughly cleaned when the meeting has concluded and before being used again. 		<p>27/08/21 <i>Ongoing</i></p>	<p>Teachers and SLT to monitor</p>	
<p>Infection with COVID-19 while dealing with a first aid incident or the administration of medicines.</p>	<ul style="list-style-type: none"> • Any staff attending to the affected person will wear personal protective equipment including mask/respirator to FFP3 standard, visor, gloves and apron (ideally Type 4 coveralls), and will wash their hands thoroughly for 20 seconds after removing the personal protective equipment. • Alcohol based hand sanitiser gel will be used before and after completing the accident book. Use of shared pens will be avoided. 		<p>27/08/21 <i>Ongoing</i></p>	<p>Teachers and SLT to monitor</p>	
<p>Staff shortage leading to there being an inadequate number of staff on site to supervise pupils/manage the premises.</p>	<ul style="list-style-type: none"> • Minimum staffing levels (including minimum numbers of first aiders, fire marshals, etc.) will be established and adhered to at all times. • If staffing levels are inadequate, the class, activity or facility will be ceased until adequate staffing levels can be reestablished. 		<p>15/04/21 <i>Ongoing</i></p>	<p>Teachers and SLT to monitor</p>	
<p>Lack of personal protective equipment, cleaning arrangements or cleaning products, or improper use, increases the risk of transmission of COVID-19.</p>	<ul style="list-style-type: none"> • Sufficient stock of personal protective equipment will be sourced and stored for use. • Staff will be provided with training in the use and disposal of personal protective equipment. • It will be ensured that CoSHH assessments have been carried out, and that any staff involved in cleaning have been provided with appropriate instruction, training and personal protective equipment. • Cleaning frequencies will be enhanced across the school, with particular focus on heavy use areas (e.g. doors, hand rails and elevators) and frequently used areas and equipment (e.g. classrooms, desks, keyboards, toilets, staff room, etc.). • Additional waste disposal bins will be provided throughout the school. Bin liners will be of the tie top variety, and will be removed for disposal to the external waste bin at the end of the day, or sooner if suspected contaminated items have been placed therein (e.g. tissues from a person displaying symptoms of COVID-19). 		<p>27/08/21 <i>Ongoing</i></p>	<p>Teachers and SLT to monitor</p>
