Reminders

- Pupils will be having a PE lesson on **Wednesdays** and **Thursdays**.
- Please make sure they have their P.E. kits including trainers/plimsolls with them on these days and that it is not worn under their uniform. Jewellery must not be worn at school except for stud earrings which must be removed or covered with plasters for P.E.
- Please ensure **ALL** of your child's clothing and shoes are labelled with their name. It is your child's responsibility to keep their belongings safe.
- Remember school starts at 9.00am – don't be late!
- Pupils may bring a bottle of water to drink during the day.
- Please make sure that your child is wearing appropriate clothing for the weather conditions (hat, scarf, gloves etc.).

Need to talk to your child's teacher?

Remember – you don't need to wait until Parents' Evenings to talk to your child's class teacher.

Messages or information can be shared when you drop off /collect your child.

If you need a conversation, make an appointment – your child's teacher will **normally see you on the same day.**

Useful Websites

www.britishcouncil.org

www.bbc.co.uk/skillswise

Breakfast Club

Breakfast Club takes place every day from 8am to 9am at a cost of £1 per day. Please bring your child to the main office.

Reading is Important

All pupils have a reading book which must be kept in their reading bag or folders and brought into school every day; it is very important that your child brings in their book every day as we often provide opportunities to read in class.

Please encourage your child to read, each day sit with them and talk to them about their book. They need to understand what they are reading – not just be able to read the words.

Try taking your child to the local library, it's free to join and borrow books.

Year 6 Information Spring Term 2 - 2018

Year 6
Spring Term 2

RE

We are planning some exciting projects in the Summer term.

FRENCH

We are planning some exciting projects in the Summer term.

HISTORY/GEOGRAPHY

We are planning some exciting projects in the Summer term.

PE

Gymnastics

Children will be able to work with a group to follow a set of 'rules' with several more complex ideas to produce a sequence of movements. They will perform this sequence with consistency and accuracy. They will be able to talk about the choices that were made both individually and as a group that resulted in their sequence.

Outdoor adventurous activities

Children will be able to plan a route and series of clues for someone else and plan with others, taking account of safety and danger. Children will also develop their team building skills to solve challenges.

ART/DT

Climb High!

Year 6 begin the half term by researching climbing frames and assessing them against their design criteria. Students consider strength, visual appeal, materials, construction costs and safety. Students are then given their own design brief and a list of available materials. Students must then plan and design their own climbing frame considering joining techniques and methods to strengthen the structure. As a year the climbing frames are then tested against the design criteria.

COMPUTING

Word Processing

Using topics from the curriculum, children to use Microsoft Word to gain confidence in word processing. This will enable children to not only develop their understanding of Microsoft word but also develop their keyboard skills.

SCIENCE

Animals including humans

Children will identify and name the main parts of the circulatory system and recognise the impact of lifestyle on the body's function. Children will describe the ways in which nutrients and water are transported within animals, including humans.

MUSIC

Blues/ Ensembles Develop Instrumental Skills

Compose and perform vocal and instrumental ensemble pieces including Classical and Blues style pieces of music.
