

# Music Policy

Children at Ravenscroft should expect to be inspired and motivated as they will be given opportunities to develop and investigate their musical ideas, review their own and others compositions. We engage and broaden pupils' knowledge and love of music, thereby increasing their self-confidence, creativity and sense of achievement. As pupils of Ravenscroft progress they should develop a meaningful engagement with music allowing them to listen with discrimination to the best in musical canon.

## Aims

- perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians
- learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence
- understand and explore how music is created, produced and communicated, including through the interrelated dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations
