

Year 5 Summer 2

PSHCE

Health and Wellbeing
Aiming High

This topic will discuss achievements that have accomplished and challenges people face and barriers to success. They will identify opportunities available to them now and in the future. Stereotypes in the world of work will be addressed and they will discuss jobs they would like to do and the skills involved.

RE

God

This unit explores a range of different ideas about God. It seeks to include the children's own views about God, whether he exists or not.

FRENCH

Transport and Holidays

Children will learn about different modes of transport. This will be linked to going on holiday. They will be able to have a conversation about what they need to take, including different clothes depending on the country. They will bring together previous learning of country names, weather and sports and activities.

GEOGRAPHY

North America

By the end of this unit, children will learn about the cities and climates as well as time zones and landscapes of North America. Children will be taught to distinguish between the different environmental regions, key physical and human characteristics, countries and major cities across the continent. They will learn about the varying climates in relation to the Equator and the North Pole as well as conducting an in-depth study of the region of Ontario.

PE

Tennis

Children will be developing their ability to use forehand and backhand shots under pressure in a game situation. They will

show good backswing, follow through and feet positioning

Athletics

Children will be able to show control when taking off and landing in a jump. They will be able to throw with accuracy, combine running and jumping and follow specific rules.

Cricket

Children will be able to use space to 'field' as part of a team.

Rounders

Children will be able to explain what they are trying to do in the game, talk about what they are successful at and what they need to practise more.

Health and Fitness

Children will be able to explain why keeping fit is good for their health.

ART/DT

Cooking and nutrition
Great British Dishes

The children will explore some sweet and savoury national dishes of England, Scotland and Wales, before moving on to developing an understanding of how cuisines from other countries influenced what is eaten in Britain today. They will also practise the important life skill of how to plan and shop for a meal.

COMPUTING

Spread sheet Planning

Children to understand that basic spread sheets in three strands. Understanding what a spread sheet does. Knowing how to graph successfully. Knowing how to manipulate numbers using formulas and other techniques

SCIENCE

Animals including humans

Children will learn about the changes from birth to old age, including puberty, and why these changes occur.

MUSIC

Reflect, Rewind and Replay
(Practise and perform after revising)

Children start reading music independently, develop their instrumental skills and play in small ensembles and in the Orchestra.
