## Reading is Important

All pupils have a reading book which must be kept in their reading bag or folders and brought into school every day; It is very important that your child brings in their book every day as we often provide opportunities to read in class. Pupils can change their book when they have finished it.

Pupils may also take a book from the book corner every week. A new book can be taken home only if the previous one is returned.

Please encourage your child to read, each day sit with them and talk to them about their book. They need to understand what they are reading – not just be able to read the words.

Try taking your child to the local library, it's free to join and borrow books.
